

SPIROMETRY TRAINING

2-day Competency-Assessed (Qualified)

This course is designed for Registered Professionals (excluding Nursing Associates). Training includes:

- Update on the National Register of HCPS undertaking and interpreting spirometry
- Performing quality assured spirometry including verification/calibration, physiological controls, infection control and standardisation of a safe technique
- Interpretation of spirometry results using % predicted values, volume-time curves and flow-volumes curves
- The use of case studies, practical sessions and visual aids to consolidate learning.
- Competency Assessments

You will need to collect and return a spirometer for the practical assessment.

Training sessions (delegates must attend **both** days):

- **Cohort 1:** Wednesday 29th September & Wednesday 15th December 2021
- **Cohort 2:** Tuesday 12th October 2021 & Tuesday 18th January 2022
- **Cohort 3:** Thursday 11th November 2021 & Thursday 10th February 2022
- **Cohort 4:** Tuesday 7th December 2021 & Tuesday 8th March 2022

Day 1 to run 8.45am–4.00pm.

Day 2: delegates will be allocated a 1-hour time slot to attend for competency assessment.

The course will be held via Microsoft Teams if possible.
